## Odysseyware Policies and Procedures

1. Students are required to complete the online orientation through Odysseyware.

2. Students have 20 weeks to complete each course.

3. The ECASD will pay the student tuition.

4. A parent/guardian is granted access to monitor student progress.

5. A mentor will be assigned to the student by the ECASD.

6. Tutors are not provided for Odysseyware courses.

7. A licensed teacher will be assigned through Odysseyware.

8. Students will be removed from a course if they are inactive during the first 10 days of that course.

9. A computer or related technology will not be provided by the school or school district.

10. Students that choose to drop a course after 28 days will receive a "W/F" on their transcript, resulting in a negative impact on their GPA.

11. Students who fail an Odysseyware course will not be allowed to take another course through Odysseyware unless they receive administrative approval.
